

Dial Faces and Instrument Clusters

VISIONMARK

An ISO 9001:2008 Registered Company

VisionMark provides precision gauge faces and instrument panels.

You can find our metal and polymer dial faces and overlays in:

- Pressure gauges
- Level & Altitude gauges
- Speedometers & Tachometers
- Process & Utility gauges
- Thermometers
- Both Liquid-Filled and Dry gauges

Our capabilities allow numerous design options including:

- Backlit gauges
- Dead Front images
- Selective texturing
- Transparent windows
- Precision engineering for Duplex and more complex designs
- Close tolerance die cutting
- Short run capabilities for private labeling

For additional information about VisionMark's **gauge face** and **panel products** and services [contact](#) our Customer Service Representatives at 937-492-3100.

< VisionMark carries a full line of [UL/CSA](#) listed and approved constructions suitable for instrumentation.
