

## VisionMark UL 299 Graphics

**VISIONMARK**

An ISO 9001:2008 Registered Company

### ***VisionMark Graphics - Tested Tough***

For over 61 years VisionMark has designed and manufactured permanent graphic solutions for service in difficult environments and applications. We have the tools and insights necessary to solve your toughest problems.

Our experience includes applications requiring lot traceability and security necessary to comply with **UL 969**, **UL 299**, and **UL 2166**. We also maintain a **UL Approved Label Supplier Agreement**. In addition, VisionMark's library of **UL** and **CSA** constructions includes products suitable for **NFPA 1901** and **ANSI 535** applications. We can provide recommendations for materials, adhesive systems, security mechanisms, and manufacturing methods to satisfy the most demanding specifications and uses.

No matter the environment our labeling systems, panel overlays and membrane keypads:

- *Withstand exposure to fluids, cleanings and abrasion*
- *Repel dirt, oils, and other grime*
- *Resist elevated temperatures*
- *Prevent UV degradation*
- *Tolerate acids or bases*

Count on VisionMark to provide the engineered graphics tough enough to last!
